

THE MUG HOUSE

INN & RESTAURANT

We have done our very best to make sure our pub is COVID-19 secure, we have taken our time to clean from top to bottom and we would like it to stay that way! That in mind, here are a few steps we are asking staff and customers to follow, to keep us all safe.

- 01** It is table service throughout, but we do recommend customers using our new website, to order and pay at the table
- 02** Please **don't** queue for the toilets!
- 03** All dogs must be kept on leads and away from other customers
- 04** We love you being here, but stay at home if you are feeling unwell. We reserve the right to check temperatures if we suspect someone is not well
- 05** Do not move any of the tables and chairs and please do not get up, unless leaving or using the toilet
- 06** Wash your hands frequently, there are censored hand gel dispensers throughout the pub including entrance and exit
- 07** Please respect the social distancing rules and each others space
- 08** Please be patient with us, everything we are doing is for your safety as well as ours

THANK YOU
